I vehemently OPPOSE SB 16

I can not understand your reasoning to continually abuse peaceable citizens

I vehemently OPPOSE HB 5416

There is no safety issue regarding a legal purchase of a number of firearms from an estate, or a widow.

I SUPPORT SB 388

This is a perfect example of a common sense gun law.

I SUPPORT HB 5415

This is a limited but helpful act for legal handling.

I SUPPORT HB 5412

This is another example of a common sense gun law.

Thank You
